NON-FIRE USE CONTRACT

This contract is between (Name of Youth) and (Name of Interventionist).

By signing this agreement, I (Name of Youth), agree to not misuse or play with fire in any way I will not play with matches, lighters, or any other things that make flames or fire. I will also keep away from anyone else who might play with or misuse fire and I agree to report them to a responsible adult if I see this happening. I will also tell an adult about any matches/lighters that I find in places where they should not be and not pick them up myself. And I will help those around me be safe from fire. If I am successful in doing these things for the time period listed below, I understand that (Name of Interventionist) has promised me(...)
